

Dr. rer. nat. Anton George Windfelder

Curriculum vitae

Personal Data

Name	Dr. Anton George Windfelder
Birthplace	Berlin
Nationality	German
Marital Status	Married
Children	1 Daughter 1 Son

Short CV

- 6/2024 **The Young Investigator Award for outstanding achievements in the field of imaging**, German Roentgen Society (Deutsche Röntgengesellschaft e.V.), Berlin, Germany.
This award is intended to highlight and promote the achievements of young scientists in the field of imaging.
- since 9/2023 **Junior Research Group Leader of Multimodal Preclinical Imaging (PI)**, *Fraunhofer IME Department of Bioresources, Diagnostic and Interventional Radiology JLU Giessen*, Prof. Dr. Andreas Vilcinskas, Prof. Dr. Gabriele A. Krombach, Giessen, Germany.
- 7/2023 **Dr.-Herbert-Stolzenberg-Award for outstanding achievements in the natural sciences in biology**, Dr.-Herbert-Stolzenberg Foundation, Executive Board of Justus Liebig University and Giessen Graduate Center for Natural Sciences and Psychology, Giessen, Germany.
This award honors young scientists at an early stage of their scientific careers who distinguish themselves through outstanding achievements in their field and exceptionally commitment to their discipline.

- 3/2022 - 9/2023 **Postdoctoral Researcher**, *Laboratory of Experimental Radiology, Justus Liebig University Giessen, Fachbereich Medizin*, Prof. Dr. Gabriele A. Krombach, Giessen, Germany.
- 4/2021 - 9/2023 **Postdoctoral Researcher**, *Fraunhofer Institute for Molecular Biology and Applied Ecology IME, Branch for Bioresources*, Prof. Dr. Andreas Vilcinskas, Giessen, Germany.
- 7/2021 **Ph.D. thesis with *summa cum laude***, "*High-Throughput Screening of Insect Larvae as a Replacement for Mammalian Models of Gut Inflammation*", Institute of General Zoology and Developmental Biology, Department of Cellular Detection and Defense Processes, Prof. Dr. Tina Trenczek, Justus-Liebig-Universität Gießen, Germany.
- 3/2020 **Visiting Scientist**, *Grimm Lab (Prof. Dr. Jan Grimm)*, Memorial Sloan Kettering Cancer Center (MSK), Molecular Pharmacology, Manhattan, New York City, USA. Founded by DAAD-PROMOS Scholarship, Deutscher Akademischer Austauschdienst, DAAD, USA.
- 2/2020 **Visiting Scientist**, *Kanost Lab (Prof. Dr. Michael Kanost)*, Kansas State University, Department of Biochemistry and Molecular Biophysics, Manhattan, Kansas, USA. Founded by the International Giessen Graduate Centre for the Life Sciences, GGL, USA (GGL Travel Grant).
- 1/2016 - 4/2021 **Ph.D. Student**, *Institute of General Zoology and Developmental Biology*, Department of Cellular Detection and Defense Processes, Prof. Dr. Tina Trenczek, Justus-Liebig-Universität Gießen, Germany.
- 10/2013 - 1/2016 **Study of Human medicine**, *Justus-Liebig-Universität Gießen, Germany*.
- 10/2011 – **Master of Science in Biology**, *Justus-Liebig-Universität Gießen*,
09/2013 *Germany*.
- 10/2008 – **Bachelor of Science in Biology**, *Justus-Liebig-Universität Gießen*,
09/2011 *Germany*.
